## ONEDOTZERO / WOW + FLUTTER 09

onedotzero is a contemporary, digital arts organisation with a remit to promote innovation across all forms of moving image and motion arts. It is critically acclaimed for producing the annual pioneering audiovisual touring festival, onedotzero\_adventures in motion. The festival travels the world, showcasing the most exciting new ideas and brightest up-and-coming filmmaking talent alongside visionary new work by world-leading creative luminaries.

The driving force of onedotzero's programming since inception, wow + flutter's remit has always been to seek and share the most innovative and surprising work-in-progressive, motion graphics and short-form work. A programme of work, which seeks to explore the future of moving image:
